

Vienna Learning Support for MS and AHS (grade 1-4)

What is the Vienna Learning Support?

The Vienna Learning Support is a project by the City of Vienna that offers **free learning support**:

- in the subjects German, German for Beginners, Mathematics and English
- directly at school – at around 130 locations across Vienna – and online via ZOOM
- once a week in the afternoon
- 2 hours (online 1 hour)
- a maximum of 10 pupils per group

Who can participate?

All pupils who

- want to strengthen and deepen their knowledge in the respective subject
- want to catch up with subject matters they have missed
- run the risk of receiving a negative mark

Prerequisite is the attendance of a middle school (MS) or a high school (AHS lower level) in Vienna.

The new courses start on **October 13th, 2025!**

Registration: in person at each VHS location or online

Registration start: September 29th, 2025

If your child already attended a course in the first semester, no additional booking will be required for the second semester – your child will be automatically registered for the second semester as well.

Given that there are free places, registration is possible at any time during the school year.

How and where can I register my child?

You can register online at www.vhs.at/wienerlernhilfe or at any VHS location:
